PACKAGE CONTENTS:

1x Lamp 1x USB Cable 1x User Manual

SAFETY INSTRUCTIONS:

- To extend battery life, charge it at least once a month.
- Keep the lamp out of reach of children and pets.
- Do not expose the product to high temperatures or high humidity. Use it within a temperature range of -20 °C to 50 °C.
- Do not use the product near electronic medical devices or by persons with pacemakers or other medical equipment.
- Do not expose the product to water and do not charge it in places where it may come into contact with splashing water.
- Charge the product only when it is switched off.
- Do not attempt to replace or remove the built-in LED light source or battery.
- Do not dispose of rechargeable lithium batteries in household waste or standard recycling containers.
- Always clean the lamp with a soft, dry cloth.

GETTING STARTED:

1. Fully charge the lamp before first use (approx. 4 hours).
2. Turn the lamp on/off by touching the power symbol.
3. Press and hold the power symbol to dim or brighten the light.
4. Use only a charging cable with the required specification (USB-C type).

Battery Status Indicators:
- Flashing red light: low battery
- Solid red light: charging
- Solid green light: fully charged

DISPOSAL AND RECYCLING INFORMATION:

All products with this label must be disposed of in accordance with the regulations for the disposal of electrical and electronic equipment (Directive 2012/19/EU). Their disposal together with normal municipal waste is not permitted. Dispose of all electrical and electronic appliances in accordance with all local and European regulations at designated collection points with the appropriate authorisation and certification according to local and legislative regulations. Proper disposal and recycling helps to minimise environmental and human health impacts. For further information on disposal, please contact your dealer, authorised service centre or local authorities.

EU DECLARATION OF CONFORMITY:

Tesla Lighting, Ltd. hereby declares that the DE01-EMMA-1 complies with EU directives.
