

LED HEADLIGHT 0100

TECHNICAL DATA

POWER	4W
COLOR TEMPERATURE	6500 K
PROTECTION RATING	IP44
BATTERY	1200 mh
CHARGING TIME	2-3 hodiny

CONTENTS OF THE PACKAGE

1x Headlamp 1x Charging cable (0,5 m) 1x User manual

LIGHTNING MODE

The device offers a total of 5 lighting modes, which can be toggled by pressing the main button sequentially:

1. First press – Turn on the spotlight
2. Second press – Increase the spotlight intensity
3. Third press – Turn on the main COB LED light
4. Fourth press – Turn on the red light
5. Fifth press – Turn on the flashing red light
6. Sixth press – Turn off the headlamp

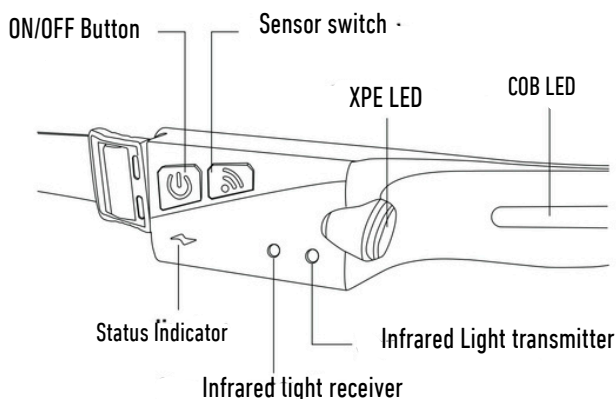

SENSOR CONTROL

The headlamp is equipped with a motion sensor that can be activated by pressing the dedicated sensor switch. Once the sensor is activated, the spotlight can be turned on and off by waving your hand in front of the lamp (in front of the sensor).

SAFETY INSTRUCTIONS

- Make sure the device is fully charged before first use.
- Do not turn on the headlamp while it is charging.
- Do not shine the light directly into the eyes of people or animals – this may cause eye damage.
- The LED headlamp is not suitable for children under 8 years of age.
- Do not leave the battery fully discharged – recharge it as soon as possible after depletion to avoid battery damage.
