SAFETY INSTRUCTIONS

- Before first use, make sure the device is fully charged.
- Do not turn on the headlamp while charging.
- Do not shine the light directly into the eyes of people or animals – it may cause eye damage.
- The LED headlamp is not suitable for children under 8 years of age.
- Do not leave the battery fully discharged – recharge it as soon as possible after depletion to prevent damage.

DISPOSAL AND RECYCLING INFORMATION

All products with this label must be disposed of in accordance with the regulations for the disposal of electrical and electronic equipment (Directive 2012/19/EU). Their disposal together with normal municipal waste is not permitted. Dispose of all electrical and electronic appliances in accordance with all local and European regulations at designated collection points with the appropriate authorisation and certification according to local and legislative regulations. Proper disposal and recycling helps to minimise environmental and human health impacts. For further information on disposal, please contact your dealer, authorised service centre or local authorities.
