

TESLA - LED CEILING LIGHT, 24 W, 230 V, 2900 LM, 3 CCT, RA 80, 200°, OVAL, IP20

PACKAGE CONTENTS:

- 1x Light fixture 1x Remote controller 1x Accessory kit 1x User manual

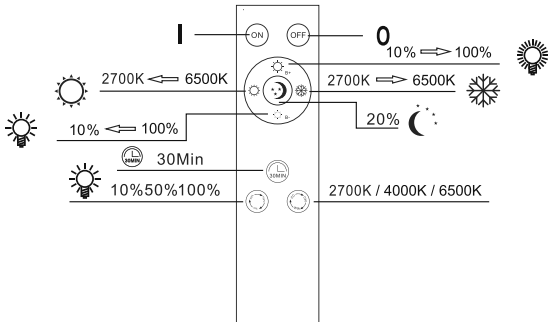

SAFETY INSTRUCTIONS:

- Install the luminaire only in accordance with the wiring diagram provided in the manual. Installation by a qualified professional is recommended.
- Do not modify the luminaire or replace any of its components. Failure to comply may result in electric shock, damage to the luminaire, or the luminaire falling.
- Always disconnect the luminaire from the power supply before installation, maintenance, or inspection.
- The supply voltage must comply with the specified range of AC 100–230 V ±10%.
- The luminaire is not intended for installation in humid environments or for outdoor use.
- Do not install the luminaire near sources of high temperature, such as ovens, open flames, flue pipes, or other heat sources. Failure to comply may result in fire or other damage.
- If the luminaire does not illuminate after connection to the power supply, check that the electrical wiring has been connected correctly.
- If you have any questions regarding installation or use of the luminaire, contact a qualified technician or our company for professional assistance.

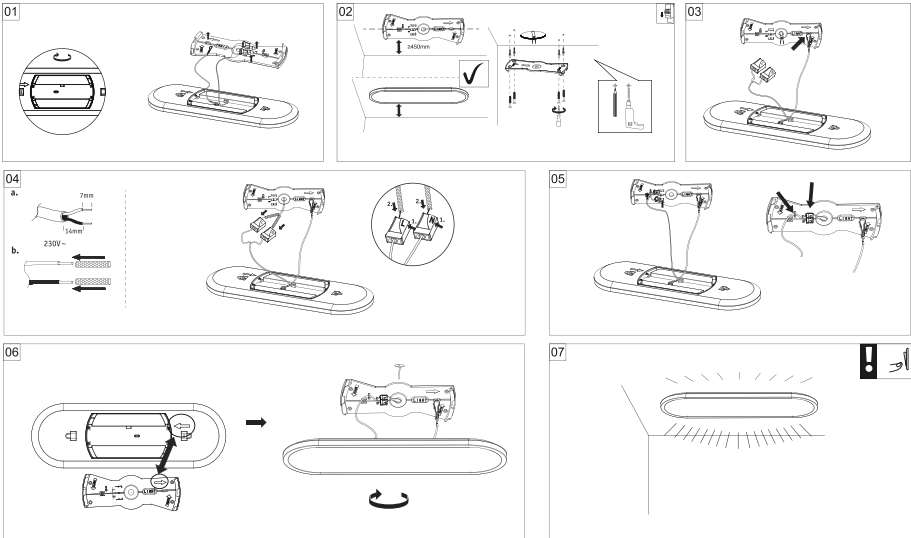

REMOTE CONTROL FUNCTIONS:

INSTALLATION INSTRUCTIONS:

Always disconnect the power supply before installing the light fixture, and follow these steps:
