

TESLA - LAMP MARKÉTA

PACKAGE CONTENTS:

1x Lamp 1x User Manual

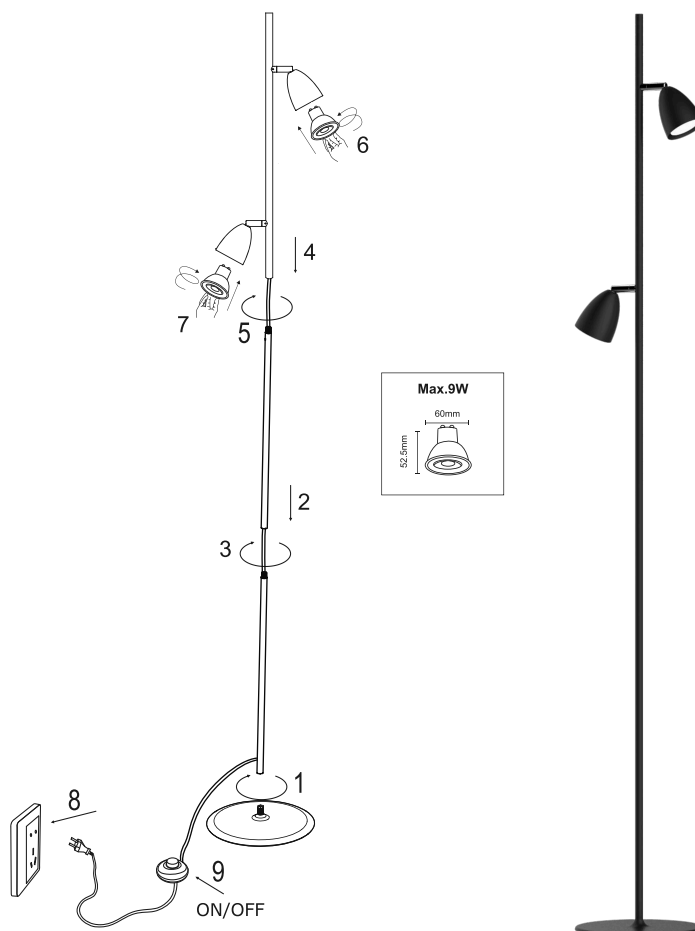

SAFETY INSTRUCTIONS:

- Before assembly and first use, carefully read these instructions. Keep these instructions for future reference.
- After unpacking the product, check that the package is complete and that the product has not been damaged. If you find any defects, do not use the product.
- Place the floor lamp only on a flat, stable, dry, and clean surface to ensure its stability. Do not cover the lamp with fabrics or other objects. Keep it at a safe distance from curtains, drapes, bedding, and other flammable materials.
- This product is intended exclusively for indoor use. It is not suitable for use in damp environments or in areas with high humidity, such as bathrooms.
- The power cord of this lamp is not replaceable. If it becomes damaged, stop using the product and safely take it out of service.
- Before connecting the light fixture, verify that the mains voltage matches the values listed on the light fixture's nameplate.

HOW TO ASSEMBLE AND OPERATE:

* Light bulbs are not included

DISPOSAL AND RECYCLING INFORMATION:

All products with this label must be disposed of in accordance with the regulations for the disposal of electrical and electronic equipment (Directive 2012/19/EU). Their disposal together with normal municipal waste is not permitted. Dispose of all electrical and electronic appliances in accordance with all local and European regulations at designated collection points with the appropriate authorisation and certification according to local and legislative regulations. Proper disposal and recycling helps to minimise environmental and human health impacts. For further information on disposal, please contact your dealer, authorised service centre or local authorities

EU DECLARATION OF CONFORMITY:

Tesla Lighting, Ltd. hereby declares that the DES01MARB-1 complies with EU directives.
