PACKAGE CONTENT:

- 1x User manual
- 1x Christmas light chain with integrated battery box (batteries not included)

IMPORTANT SAFETY INSTRUCTIONS:

- Before putting the product into operation, follow all instructions carefully to avoid risk of injury or damage to property.
- Do not insert batteries while the product is still in its packaging.
- The light sources are not replaceable.
- This product is not a toy. Keep it out of reach of children.
- Do not connect this product to other light chains or lighting systems.
- Always check that the product is not damaged before use.
- For indoor use only.

START UP:

1. Make sure the switch on the battery box is in the OFF position and remove the cover.
2. Insert the correct type and number of batteries according to the indicated polarity (+/-).
3. Close the battery box cover.
4. Switch on the device.
5. This product is equipped with a timer function (TIMER). By selecting the TIMER mode, the following automatic cycle is activated:
 - the light chain stays on for 6 hours, then switches off automatically for 18 hours.
 - This 6 hours ON / 18 hours OFF cycle will repeat automatically until the switch on the battery box is moved to the ON or OFF position.

MAINTENANCE:

- To prevent electric shock, do not expose the product to dripping or splashing water or other liquid, do not immerse the product in water or any other liquid.
- Use only a dry and soft cloth or sponge for cleaning.
- Do not use solvents, gasoline, benzene, or similar cleaning agents, as they may damage the product.
- Replace depleted batteries and batteries that have not been used for a long time.
- Do not mix different types of batteries.
- Never recharge batteries that are not designed for recharging.
